

**Naukati Community Meeting**  
**March 25, 2009**

A table was set up at the Naukati Health Fair and residents were asked to describe healthcare needs for their community. Comments from community members included:

- Need for after hours care (Note: After hours care is provided at ARMC. Education about services available is needed.)
- The road to Naukati is in bad shape and needs improvement.
- Need for more alcohol and substance abuse services.
- Need for wellness and prevention programs.
